Here is what I can do to make a difference and work for gun safety

EDUCATE

- Know my local (e.g. school board & city council), state and federal elected & appointed officials (e.g. judges), and their positions on the issues
- Read fact-based publications, and learn five facts to support gun safety

ADVOCATE

- Share fact-based information with friends/family. Encourage them to Stand With Us!
- Contact my elected officials regarding gun safety issues
- Display yard signs, write letters to the editor, share on social media
- Support OR boycott businesses; tell them why. Vote with my dollars!

PARTICIPATE

- Join like-minded groups
- Attend rallies, town hall and school board meetings, citizen forums etc. to learn, support, and testify
- Actively support like-minded candidates or issues; get out the vote, knock on doors, make phone calls, join campaigns, donate!
- Volunteer to register voters
- VOTE in EVERY ELECTION!
